ROCKFON METAL PANELS AND PLANKS

Planostile™ offers design flexibility for wide-ranging interior and exterior applications. It features a variety of sizes, profiles, materials, perimeter options, finishes and accessories. From every perspective, it will perform to your expectations.

SpanAir® Panels make it extraordinarily simple to retrofit and conceal 15/16" suspension systems with a fresh, stylish look. These easy-to-install panels provide a dramatic alternative to exposed grid lines.
